

Patrick Goris

Senior Vice President & Chief Financial Officer
Carrier

Patrick Goris is Senior Vice President & Chief Financial Officer of Carrier. His responsibilities include all aspects of financial management of the Company.

In his role, he leads and provides strategic direction to a global team of talented finance professionals and problem solvers covering accounting and controls, financial planning, tax, treasury and investor relations who partner with business leaders to execute our profitable growth strategy.

Patrick brings to the role over 20 years of global financial management experience. Prior to joining Carrier, Patrick served as Senior Vice President & Chief Financial Officer for Rockwell Automation. He has held a number of additional senior roles at Rockwell Automation including Vice President, Investor Relations and Vice President, Finance of the Company's Architecture & Software segment.

Patrick received a bachelor's degree in Business Administration from EU Business School (formerly European University) and an MBA from Emory University's Goizueta Business School.
